Big NF effort in County Council and GLC Elections

"WE'LL PUT WHITE PEOPLE FIRST" - N.F. ELECTIONS PLEDGE

HUNDREDS OF NATIONAL FRONT CANDIDATES WILL BE STANDING ALL OVER THE COUNTRY IN THE COUNTY COUNCIL AND GREATER LONDON COUNCIL ELECTIONS WHICH FALL EARLY THIS MAY.

The National Front has never before had so many candidates in the field and, what with the party having candidates standing in two of the three forthcoming Parliamentary by-elections (Stechford and Ashfield), NF voters will be counted in their hundreds of thousands!

This is an incredible achievement for a party that is only ten years old this year, which has never received a penny of outside financial assistance, which is continually attacked and smeared by the Press and T.V., and which is banned from nearly every municipally-owned meeting hall in the country!

Perhaps the most fantastic advance will be seen in the Greater London Council elections. Here there will be 92 'wards', each a Parliamentary constituency. At the last G.L.C. election only a handful of NF candidates stood.

LONDON WINS POSSIBLE

This year will certainly see NF G.L.C. candidates by the score. As we go to press the NF National Elections Department reports that over 50 constituencies will have NF candidates, and more adoptions are in the pipe-line!

At this rate it is possible that the NF could pull around 100,000 votes

from London alone!

In a sequence of London Borough Council elections all over the city since the middle of last year the NF has almost invariably thrashed the Liberals. The NF was able to double its percentage in February's Cities of London & Westminster South Parliamentary by-election. So there are some G.L.C. constituencies where the NF could win, and several where it could come second.

It is vital, however, that all NF members, whether or not they are normally Activists, turn out night after night to "Leaflet London!" A really big effort by all NF members could result in an historic breakthrough for the party!

BREAKTHROUGH

Elsewhere NF branches are making a maximum effort. In Leicestershire at least 70 NF candidates will be in the field, a substantial increase in the number nominated in last year's Borough Council elections.

This year will see more than 30 NF candidates in Bradford, and more than 20 in Leeds - a staggering increase over last year. Candidates will also be standing by the score throughout the West Midlands. Most of the wards in Bristol will also be contested.

Every day brings news of yet more adoptions in all parts of the country. All these candidates will, of course, campaign on special issues relevant to the local circumstances, but all National Front candidates will offer the White electorate one irrevocable pledge in common:

"We'll put the White British people FIRST in housing, education, welfare and employment!"

See special Municipal Debt feature on page 2.

N.F. DOUBLES PERCENTAGE IN WESTMINSTER POLL

PAUL KAVANAGH, the National Front's candidate in the Cities of London and Westminster South Parliamentary by-election on 24th

February, more than doubled the National Front percentage share of the poll compared to the October 1974 General Election.

It is rare for a party to double its percentage within the space of only two elections. Mr. Kavanagh was also able to increase the party's total number of votes by a half even though 10 per cent fewer voters bothered to vote compared to 1974.

Mr. Kavanagh won 1,051 votes (5.2%). In 1974 the NF won 686 votes (2.5%). This advance was achieved despite the fact that the Constituency was not ideal ground for the NF, and despite an anti-Immigration vote-splitting exercise by two anti-Immigration splinter groups.

They won 364 votes and 306 votes. Thrashed by the NF, these opportunist adventurers had the additional humiliation of being easily beaten by the Homosexual

Thousands support Andrew Brons as NF parades through Stechford

THOUSANDS of Stechford residents gave a friendly welcome to Andrew Brons, NF candidate in the Stechford by-election, when he led 2,000 NF members on an anti-immigration parade through the constituency.

Never before has the NF encountered so many thumbs-up signs and shouts of support.

Led by a Scottish pipe band, a huge "Vote Brons" banner and a forest of Union Jack flags, the Candidate, accompanied by NF Chairman John Tyndall, NF Deputy Chairman Andrew Fountaine and NF President John Harrison-Broadley, DFC, the huge NF column led to a school where a great meeting was held.

Two pro-Immigration demonstrations were held nearby. The Labour demo won only 300 supporters. A Trotskyite demo

Civil Rights candidate.

Commenting on the poll, the London Evening Standard stated:

"The most striking part of the result was that the National Front was able to double its share of the poll."

"Labour's campaign managers recognise that National Front support increasing like that in areas with a high proportion of immigrants could seriously threaten their party's chances in a number of constituencies."

A jubilant Paul Kavanagh declared:

"This result shows how well Andrew Brons can do in the forthcoming by-election at Stechford, where anti-Immigration feelings run high!"

(See the cartoon on page 4.)

attracted 3,000 - mostly Blacks. All Birmingham and West Midlands supporters are asked to help Andrew Brons' campaign.

EDITORIAL

Happy Birthday, NF!

THIS YEAR sees the tenth anniversary of the foundation of the National Front. The very fact that a racial Nationalist political party could have survived a decade in a Britain controlled by international usurers and their corrupt servants in Westminster and in the media, is a triumph in itself.

But there is more to celebrate than mere survival. The NF has grown from a tiny pressure group with fewer than 100 Activists, mainly Londoners, into a nationwide political party with many thousands of Activists, and with the proven support of hundreds of thousands of voters. In several cities up to 20 per cent of the White population are regular NF voters. Even the London *Evening Standard* admitted, after the NF's fine showing in February's Westminster by-election that "the National Front is growing..."

Those who have not been on the inside for several years cannot imagine the efforts, the work, the strains and the disappointments, plus continual attempts at disruption from without and within, that have been a continual feature of the last ten years' struggle. But it has all been worth it — for now the party is a firmly established fact of political life in Britain.

The next ten years are going to be very exciting for the National Front!

Ex-Miner George Herrod is NF Ashfield choice

GEORGE HERROD, the National Front candidate in the imminent Ashfield Parliamentary by-election is the son of a miner and comes from a mining family.

He was himself a miner before joining the Grenadier Guards. In the Guards he became a Sergeant and he recalls with pride the occasions when he mounted guard for Her Majesty the Queen at Buckingham Palace.

After leaving the Army, and after working as a miner, he went into business in Nottingham, establishing a successful driving school.

Born and educated in Nottingham, George Herrod now lives in Ashfield. He is married with two grown-up daughters.

"In this election I will campaign against the Common Market, rising crime, Immigration and Communism, and for giving British jobs to British workers," he says.

Stand firm, Rhodesia! Reject sell-out to Black monsters

CAN Rhodesia's Prime Minister Ian Smith stand up to the massive international pressures and reject any moves which would lead to White Rhodesia becoming "multi-racial"?

Signs are that Smith is starting to buckle. In the hope of appeasing the hypocritical Western 'liberal' opinion and ingratiating himself with "moderate" Black tribalists (there is no such thing as "Nationalism" in Africa) he has pushed through a new law to de-segregate Rhodesian society.

The announcement of the new Law, before it was passed, caused a grass-roots revolt against Smith's leadership of the Rhodesia Front Party, and several R.F.P. M.P.'s joined that revolt. Without their number of votes Smith would not have enacted the law.

But he was saved by the votes of three Black M.P.'s who previously declared that they would abstain!

Unless R.F.P. supporters loyal to the spirit of U.D.I. mobilise their supporters — in and out of Parliament — quickly, Rhodesia seems set on a slide to chaos.

The Black 'Nationalists' are not interested in multi-racialism... as is proved by their recent attacks on Missions and schools, during which ONLY WHITES were singled out for slaughter!

If Smith continues his useless appeasement policies, it will only be a matter of time before a homicidal savage like President Bokassa or President Amin takes over and exterminates those Whites who have not fled.

For Rhodesia, the alternative to survival is death — and the only way to survive is to FIGHT!

OAP Ellen, 73, 'hit by NP thug'

NATIONAL Party Executive member Mrs. Marion Powell, the splinter group's candidate in the Wallsall North by-election, has been expelled by the group's "Inner Council".

The reason? Her Stevenage, Herts, Branch liaised with the Islington, London, Branch to propose A.G.M. motions "designed to democratise the party".

A pre-A.G.M. meeting of NP members in Islington was invaded by "Inner Council" members including Party Chairman J. K. Read, R. Lawson, S. Brady, P. Holland and Joan Sandland.

Islington NP officials reported: "They yelled obscene abuse... fighting broke out... Brady attacked O.A.P. Mrs. Ellen Thompson..."

Barely 100 people bothered to attend the subsequent NP A.G.M. — half the Inaugural Meeting turnout.

Mrs. Powell told numerous Herts newspapers: "The NP will be dead in six months."

MUNICIPAL DEBT TOTALS £25,000,000,000!

"THE total local authority debt in the United Kingdom now stands at twenty-five BILLION pounds. This figure is twice the debt currently held on the current account of Balance of Payments deficit."

This was one of the shock facts given by NF Chairman John Tyndall at a meeting held in London last month to draw up guidelines for the hundreds of NF candidates standing in County Council elec-

tions.

"If people want to know what is one of the major causes of inflation, why they are paying more each year to Councils for less service, then we must tell them that corrupt Labour, Conservative and Liberal politicians have been bribing their way into office with gimmicks paid for by loans from international bankers which eventually have to be repaid together with interest, by ratepayers.

LOANS TO PAY LOANS!

"Many Councils," he declared, "have been taking out new loans just to pay the interest on previous loans! Of every £1 paid to Councils by ratepayers and tenants as much as 60p goes directly to the usurers."

"This is the reason why rent and rates are shooting up, while essential

Council services are being cut. The Tory, Labour and Liberal politicians are determined to serve the vampire greed of the international usurers before the need of the British people for decent roads, schools, hospitals, policing, garbage disposal, housing and welfare facilities.

"Every municipality throughout the land is debt ridden — but London can only be described as a debt disaster area," declared Mr. Tyndall. "The G.L.C. debt is £2,078,724,212. The annual interest on this is £189,244,212. Every Londoner — man, woman, child — thus owes £292.78p, and through rent and rates pays £31.62 interest a year.

£2,000 PER FAMILY

"Looking at it another way, the average London family (of 4.2

persons) owes £1,229.68p and has to pay £132.81p per year, or £2.55p per week, interest.

"If you add to this the debts of all the individual Boroughs, the total London municipal debt increases by approximately 50 per cent, and the debt per family rises to nearly £2,000.

"Four years ago," Mr. Tyndall continued, "the NF Bristol Branch engaged in a study of the local municipal debt. A Bristol Council spokesman admitted: 'This city is in an unpayable spiral of debt'. Every Bristolian, man, woman and child owed £300.

"It is plain that the International Bankers are deliberately encouraging the Tory, Labour and Liberal politicians to take on these unpayable debts so that they, the Bankers, can better dictate Government policy," Mr. Tyndall concluded.

FRONTLINE ACTION

NORTH LONDON: John R. Smith, co-ordinator of NF Post Office workers in North London reports his colleagues have been making voluntary donations of 10p per man per week towards the NF's Election Fund.

More than £600 has been raised, and will provide deposits for the Hackney South, Hatfield & Welwyn, Dagenham and Stevenage candidates. They aim to provide at least one additional deposit before the election is called.

EAST LONDON: Many hundreds of pounds worth of fines have been imposed on various Red and Immigrant organisations who mounted a mob attack on NF members peacefully selling *NF News* in Brick Lane Market, Bethnal Green. Four Red thugs were fined a total of £225, with £105 costs, and bound over in the sum of £100 each.

Fourteen more face trial, seven on assault charges, one with an offensive weapon. Meanwhile Miss Beverley Matthews, of Tower Hamlets NF Branch, was discharged on an "obstruction" rap arising out of the same incident.

LEICESTER: Miss Joan Lestor, the ultra-Left M.P. for Immigrant-ridden Eton & Slough, was brought to Immigrant-ridden Leicester in January to make an attack on the "NF's challenge to Labour" in the forthcoming County Council elections. Leicestershire will see at least 70 NF candidates in May.

"If someone says that they are not going to vote for you because you like the Blacks, you have got to take that up. There's no Labour policy, so I can only say myself that you have got to take the offensive, pick up the issues and deal with them, put them in the election addresses and be positive about them," she waffled.

BRENT: Once again an NF candidate has beaten the Liberals in a London Borough by-election. In the election for Fryent Ward of Brent Borough, Mr. John Davies won 270 votes in a four-cornered contest, beating the Liberal who won 201 votes.

Mr. Davies, a representative of the Union of Post Office Workers and a member of Harrow Trades Council, said: "We are very pleased. We doubled our vote compared to 1974. We will be contesting all three Brent seats in the G.L.C. elections."

BERWICK: The *Berwick Advertiser* reported in January that an NF Group has now been formed in Berwick-on-Tweed, England's most northerly town. The formerly unspoiled border town has recently started to experience an invasion of Asians.

Group spokesman Mr. Robert Simpson reported that the Group had already started widespread literature distribution, and enquiries were so encouraging that the Group expects to be able to contest the constituency in the General Election.

TAMWORTH: Citizens of Tamworth & Lichfield, Staffs, are also starting to feel the impact of Immigration, and this has led to the recent formation and rapid growth of the Tamworth NF Group, which now has 15 Activists.

Group Chairman Mr. Austen Davies told the Tamworth *Chronicle Herald* in January: "Our Group will be contesting the Borough elections and I have been adopted as its candidate for the Lichfield & Tamworth constituency in the General Election. Last year I contested the election for Kingstanding Ward in Birmingham, beating the Liberals."

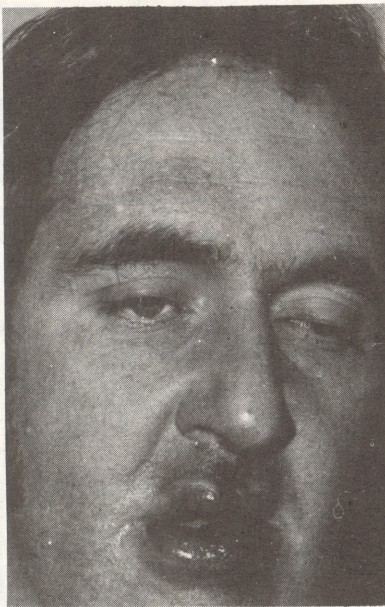

CANTERBURY: In January a gang of cowardly Red students from the local University attacked two NF members selling *NF News*, 64 year old Mr. Ken McKilliam and Mr. Geoff Smith, a cripple.

The following week robust Activists from Thanet, Dover, Deal, Herne Bay and Dartford waited in a side street and the cowardly Reds attacked the two men again. The Reds suddenly found themselves being pulped in a blitz of fists and boots and there has not been any trouble since.

GREENWICH: Once again the NP splinter group freak McCalden has been crushed by an NF candidate in a Greenwich Borough by-election. In February, in the poll for Kidbrooke Ward, the NF candidate won 216 votes, more than double McCalden's vote, who carpetbags from ward to ward.

DISS: Members from Norwich and other Norfolk Branches went to the little town of Diss for a couple of hours *NF News* selling. They sold more than a hundred copies in three hours and reaction to the NF was so good from local people that a Diss Group will be formed soon.

JOHN ROBERTS ATTACKED

John Roberts four days after the attack.

JOHN ROBERTS, the NF candidate who polled 3,200 votes in last July's Thurrock, Essex, Parliamentary by-election, sustained serious injuries and was hospitalised after being attacked on his way home on Saturday 17th February.

Two men, wearing stocking masks — one wielding a club, the other an axe — waited for him at the top flight of stairs in the flats he lives in at Dagenham, Essex. They had broken the light so the stairs were dark.

He was smashed in the face with the club, and his teeth were driven through his cheek. The other man dealt him a blow on the head with the blunt side of the axe, causing a wound that needed several stitches.

He was kicked about the face and body. One kick in the back caused an injury to his spine. He was rushed to hospital where he was kept for several days.

Police say that no witnesses saw any men running off, so it is possible either that the two thugs lived in the flats, or were sheltered by a resident friend until the coast was clear.

The previous Saturday Dagenham NF members had been selling *NF News* in the Market and were set on by a gang of S.W.P./I.S. louts, but the Reds were driven off. The attack on John may be in revenge for this. An anonymous letter was published in one of the local papers threatening NF members with hospitalisation.

John told *NF News*: "This attack has redoubled my determination to fight on."

Lane gets booed in Ipswich and Derby

NEW Chief Race-Traitor David Lane, boss of the Commission for Racial Equality (a former *Tory* M.P. appointed by the Labour Government) was greeted by booing crowds of NF members as he entered multi-racialist meetings in Ipswich and Derby in February.

The meeting at Ipswich, Suffolk, was called to establish a local Community Relations Council. "All sections of the Community" were supposed to have been invited, as the C.R.C. will spend ratepayers' money — but all NF members were excluded!

But Ipswich Branch NF members left Lane in no doubt as to their opinion of him as he entered the hall. On the platform with Lane was Guyana-born Race Board official Harold Manger who predicted the possibility of major race riots "within five years".

Later at Derby an even more rowdy reception was given to Lane by local NF members when he attended a Derby C.R.C. "public" meeting (i.e. tickets for multi-racialists only!)

These NF activities won big local press publicity.

Danger! 'Democrats' at work!

IN January a restaurant in Bradford, in which the local Branch of the NF had hired a room for a private members' meeting was surrounded by a Red mob led by Zionist Marxist Reuben Goldberg. Restaurant customers were threatened and their cars damaged, causing the management to ban further NF bookings.

In Leeds, a Red mob stormed into the hotel used by the Leeds NF Branch for members' meetings, instigated a brawl, terrorised customers, with the result that the management cancelled further NF bookings.

At Halifax the General Secretary of the Textile Workers' Union announced his intention of banning "racialists" from union membership.

Wolverhampton's Labour leader has had to lift the ban on Council hall bookings to the NF temporarily due to Election Law, but says the ban will be re-imposed after the County Council elections.

The Sandwell (West Midlands) Community Relations boss Hassan Zaidi, has called on Sandwell Council to ban the NF from Council meeting halls.

But still we grow, and grow!

REDS SMASHED AT BATH 'DEBATE'

PHILIP GANNAWAY, Chairman of Bristol NF Branch was invited by the Chairman of Bath Young Liberals to debate Immigration at a Y.L. meeting on 17th February. As expected, the debate was invaded by 40 Red louts from Bath and Bristol Universities.

The Reds immediately started to shout down Mr. Gannaway and then assaulted a member of the audience who protested. A chair-hurling brawl broke out, and the 12 NF members present gave the Reds a hiding before driving them out. Our picture shows an NF stalwart getting on with the job.

The fight won front-page publicity in all the West Country newspapers, as did a Gloucester Branch heckling of an "anti-racistist" meeting. This action was led by Owen Masters, NF Gloucester candidate.

Tower Hamlets 'corruption' probe

FRANK BERRY, Chairman of the NF Tower Hamlets Branch, won front page headlines in the *East London Advertiser* in January when in a letter to the District Auditor he alleged that various Labour local Borough Councillors were "fiddling" their expenses.

Mr. Berry stated that Councillors are claiming first class rail fares, taxi fares, claims for holiday hotel visits, excessive car mileage, and other claims "unfair to the rate-payers".

A Council spokesman admitted that his figures were correct, and the Auditor has agreed to investigate. A leading Labour Councillor threatened to throw Mr. Berry out of the Council Chamber gallery, but Mr. Berry called his bluff.

N.P. BEHIND

We capture for posterity the expression on the face of Mike Lobb, National Party Westminster by-election candidate and leader of the NP's "Racial Marxist" faction, on hearing he had been beaten by the 'Gay' Rights candidate.

"I will look into this and analyse the result," promised NP Chairman, J. Kingsley Read.
